

# SPREKENDE MUUR VOORLEESDAGEN

# Beginletter oefenen: sprekende muur

Met deze les gaan kinderen met de sprekende muur de beginletters oefenen

## Vorbereiding

Print de bijlagen uit. Knip en lamineer de kaarten. Stop ze daarna in de sprekende muur.

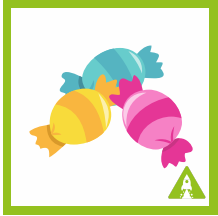

Zet de schakelaar van de sprekende muur naar de on stand. Druk op de groene play knop onder het kaartje. Je hoort een piep en kunt inspreken. Spreek het woord duidelijk uit. Klaar met inspreken? Druk nog eens op de play knop en dan hoor je 2 piepjes. De opname is gestopt. Spreek bij ieder woordkaartje het woord in. Alles ingesproken, zet dan de schakelaar naar lock.

## Activiteit

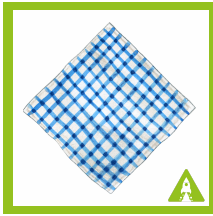

De kinderen drukken op de play knop en horen het woord. Ze gaan op zoek naar de bijpassende letter op het picknickkleed. De kinderen zetten een kruis door de afbeelding met de juiste kleur. Ze gebruiken hiervoor de kleuren rood = s, blauw = au, groen = v en geel = ee.

Veel succes
