

Cadeautjes getalbeelden

Cadeautjes getalbeelden

Vorbereiding:

- knip alle kaarten uit
- lamineer de kaarten (let op het cadeautje komt op het getalbeeld)
- zaklamp
- huisjes met cijfers

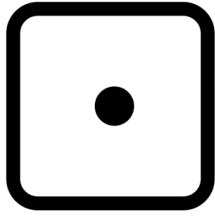

Activiteit:

Bespreek met de kinderen eerst de cadeautjes in een kleine of grote kring. Vertel ze dat ze de pieten gaan helpen. De cadeautjes mogen bij de juiste huisnummers bezorgd worden. De cadeautjes zijn alleen zichtbaar met de zaklamp. Laat ze dit zelf ontdekken.

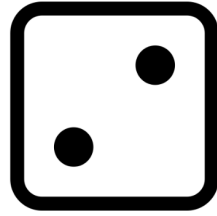

Veel succes!
